Join us for the last few weeks of the market, which closes for the season on September 30, 2017. Purchase plants; homemade foods; home baked goods, including gluten-free products; local honey; body products made of all natural ingredients; unique jewelry; artisan crafts; eggs from cage-free hens; Amish goods and more.

During September, the market steering committee and Chamber Commerce will be conducting a dot survey, created specifically for farmers' markets. Each week we will ask shoppers 4 questions and they can choose the answer which best expresses their opinion. The survey results will be compiled and analyzed and used to make the market successful and convenient for our vendors and buyers. Come share your thoughts with us!

Celina Utilities Shut-off Policy

Prompt payment of your utility bills to avoid getting your services shut off is important. Any customer with a past-due account balance is subject to disconnect. Customers can determine their account status by checking their monthly utility bill. If your bill indicates you are in disconnect status, prompt payment is necessary to avoid having your utilities turned off.

Payments can be made to the Celina Utilities office with cash, check, automatic deduction from your bank account, or credit card. A night deposit box is located outside of the front doors for payment after working hours.

If you have any questions or are unsure of your account status, please contact the Celina Utilities office at 419-586-2311.

Any customer who has had their utilities turned off due to nonpayment, must make payment with cash or money order to be reconnected.

CITY COUNCIL MEETING DATES

Celina City Council meets on the second and fourth Mondays of every month, unless a Monday holiday requires rescheduling the meeting. **All meetings are held at 7 p.m. in the Council Chambers located on the 2nd floor of the City Administration Building, 225 N. Main Street.**

The agenda for each meeting is posted at the Celina Utilities Office, City Hall and the Library. The public is encouraged to attend these meetings with their input.
